## **TSR Capital Berhad leverages expanded machinery fleet to secure RM219 million worth of earthworks and infrastructure works project at Kwasa Damansara township**

The Board of Directors of TSR Capital Berhad wishes to announce that its wholly-owned subsidiary company, TSR Bina Sdn. Bhd. has accepted a letter of award from Kwasa Land Sdn. Bhd. for the proposed construction and completion of common infrastructure works and water reservoir at Kwasa Damansara township development, Selangor Darul Ehsan for a contract sum of RM219 million (“the Contract”).

The scope of works under the Contract includes the execution and completion of site clearance and demolition works, earthworks, road works, drainage works, water reticulation works, sewerage works, and water reservoir.

The Contract is for a duration of 30 months and is expected to be completed by October 2027.

**“Our expanded fleet of machinery has propelled our capacity to execute large-scale earthworks and infrastructure projects with great efficiency”** said Lim Dian Ping, Executive Director of TSR Capital Berhad. “Securing this contract not only strengthens our foothold in the earthwork and infrastructure sector but also reflects the unwavering trust our clients have in our ability to deliver high-quality infrastructure works.”

The official announcement is available at Bursa Malaysia’s website after 5pm, 19<sup>th</sup> March 2025.
